

SUDLERSVILLE VOLUNTEER FIRE COMPANY

QUEEN ANNE'S COUNTY, MD · STATION 6

203 N. Church Street - Sudlersville, MD 21668
Phone: 410-438-3155

2025 FIRE/RESCUE/EMS FUND DRIVE

Your family and home are protected and cared for by the Sudlersville Volunteer Fire Company. The company is maintained and operated by dedicated firefighters and emergency medical personnel who freely give of their time by responding to emergency calls and training in order to be prepared for any type of emergency, and also maintaining the apparatus and equipment.

To maintain our present level of emergency services to our community, we must keep our fire and medical response equipment in top condition. To accomplish this, we are constantly servicing and upgrading the equipment and apparatus; this is an expensive venture. Your contributions help us with our efforts to maintain our equipment and preserve the longevity of the units. Your donation will also be used to cover our operating costs and train our members.

We know, times are tough and money is tight, but we ask that you please consider supporting our efforts to serve you. Hopefully you'll never need our services, but we're here if you should call. Please give what you can -- every dollar helps!

REMEMBER...ALL DONATIONS ARE TAX DEDUCTIBLE AND THEY STAY RIGHT HERE IN OUR COMMUNITY TO PROTECT YOU OR A LOVED ONE. WE TRULY APPRECIATE YOUR CONTINUED SUPPORT. *Thank You!*

See the reverse for details on our apparatus

We are raising funds to refurbish our 1948 Mack and our 1927 American LaFrance. If you would make a separate donation, please use the additional box(es) on the contribution card.

The Sudlersville Vol. Fire Co. is also proud to provide their Banquet Hall facilities for rent for weddings, dinners, parties, fundraisers, trade shows and corporate functions. The non-smoking facility offers a full commercial kitchen, cable TV and Internet connections, as well as projection screen, sound system and moveable stage. For more information or to book the Banquet Hall, please call 410-443-6820.

For an update on upcoming events, please go to www.SVFC6.com or Find us on Facebook

SUDLERSVILLE VOLUNTEER FIRE COMPANY, INC.

Sudlersville Volunteer Fire Company ordered a fire engine to replace our primary fire engine (Engine 64). Engine 64 had served the citizens of Sudlersville for the past 28 years but is reaching the end of its service life. The Fire company designed and ordered a replacement, which was placed in service in December 2023 (see photo above). The new fire engine will help us provide fire protection and serve our community for many years to come! With the rising cost of fire equipment, turn out gear and maintenance, your tax-deductible financial contribution is welcomed and greatly appreciated.

We are always looking for a few good men and women interested in becoming members. The training is free, and we have administrative positions for those who may not want to be a firefighter. If you have any interest or want to learn more, we welcome you to contact a member, or stop by the fire station on Tuesday evening.

PLEASE HELP US HELP YOU. Complete the enclosed card and mail it back in the enclosed envelope along with your donation.

**REMEMBER, YOUR DONATION
CAN BE TAX DEDUCTIBLE and IT
GOES TO A SERVICE THAT CAN
PROTECT YOU or A LOVED ONE.**
